Alta and Joseph with the Scriptures and the book Unto the Hills, which miraculously also survived the twenty-nine-day adventure.

“The story is more than an account of a crash in Bush Alaska, it is more a testament of faith and courage of Joe Tippetts and his fellow cabin mates . . . and of Tippetts’ wife, who always believed that her husband would return. “I viewed the BYU-TV production of *Hearts of Courage* about Joseph Tippetts for their LDS Lives series. . . . It was one of the most amazing things I’ve ever seen. As great as this show is, John’s book is even better...the story, together with photos, charts, and other illustrations is really very well done.”
